

Dear Parents

## Grade 1-5 Stationery List

Dear Parents

Before going out and buying all new, take time to see what your child has in his or her stationery box that can be used in this coming academic year: reduce, reuse and recycle!

**Please ensure that your child has a workstation set up at home - hopefully, one that will not be used a lot in this coming year!**

- Desk
- Computer with sound/microphone
- Enough light

**Materials to stay at school, in your child's classroom<sup>1</sup> - not to be shared**

**Health & Safety requirements for all**

→ sanitiser hand wipes

→ sanitiser gel

→ 1 box of tissues

## Student Self-management and Organizational Skills

1x basket/container to organize all your child's stationery/materials in

- **stationary will stay in one class in your child's cubby.** For health purposes, students will not be able to share stationary

**Dimensions: 40cm in length by 25 cm wide - this is very important as the container must fit into your child's cubby**

**Containers that are too big will be sent home.**

<sup>1</sup> We strongly suggest a 2nd set to be kept at home in order to facilitate learning at home.
