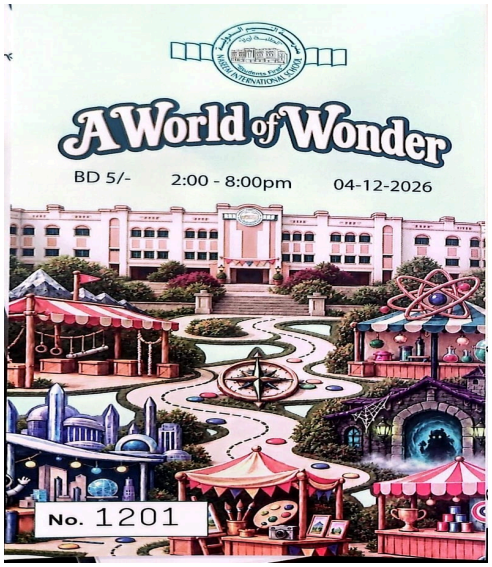
Good afternoon, Parents and Students.



We are currently enjoying my favourite season in Bahrain! This time of year pulls us out of our homes and makes it almost impossible not to find an excuse to enjoy the cool weather and to be outside.

Thus, come and join us on Friday, 4 December 2026, from 2 pm - 8 pm for a day outside with your family. Come and join A World of Wonder with us!

Where: NIS Parking Area - next to the soccer field.

Field Trips: Please note that all field trips have been temporarily postponed until we are back in a more stable, calm environment and are certain it is safe for our students.

Lockdown Procedure: Your child might have told you that when the sirens sounded on Tuesday, they had to sit in the hallways. That is 100 per cent correct.
Here is what we do:

- The **sirens sound,** and we all follow our safety policy procedures for a lockdown.
- All students move to a secure place where we deem it to be the safest - in our case, hallways where there are no windows.
- They sit with their teachers in allocated places, where they hang their bags.
- They are supervised by all the adults present.
- We have a basket ready with books/games they can use to entertain themselves while we are in lockdown.
- They can eat (lunch boxes) and use our water fountains.
- We stay there until a Senior Management Member - most probably Mr Fuad announces the all-clear over our loudspeaker system.

When we are in lockdown:

- Nobody may enter or leave the campus until it is safe to do so.
- We do not allow phones and Chromebooks. We need them to focus and, if necessary, follow further instructions immediately.

For every emergency, we have a procedure. You can ask your child about what is expected of them when our fire alarm sounds. They should be very familiar with that procedure.

We want to reassure you that regardless of our current situation, your child's safety is our top priority. We thank you for your support in this matter.
